**NEW CARDIO K2 DOUBLE STRENGTH**

Vegicaps® Capsule with K2Vital®

**Product Description**

Cardiovascular health problems are a leading global concern. Stress, poor diet, genetic factors, and a lack of regular exercise all contribute to increased cardiovascular risk factors.

**Catalent and Kappa Bioscience** have partnered to develop an innovative nutritional supplement for heart health. Introducing **CARDIO K2 DOUBLE STRENGTH VEGICAPS® CAPSULES**. This unique formula combines multiple key ingredients intended to help promote heart health, including K2Vital® vitamin K2 which is an important factor in the activation of proteins which prevent calcification of arterial walls which is a known co-factor in heart disease.

Each Cardio K2 Double Strength capsule also contains high potency Omega-3 fatty acids (to provide 360mg EPA and 270mg DHA) and 2000 IU Vitamin D3.

Recommended daily dosage of this product is 1 capsule.

<table>
<thead>
<tr>
<th>ACTIVE INGREDIENT</th>
<th>INGREDIENT DESCRIPTION</th>
<th>PURPOSE</th>
</tr>
</thead>
<tbody>
<tr>
<td>360mg EPA and 270mg DHA (TG 40/30)</td>
<td>Omega-3 fatty acid is an essential nutrient that provides many health benefits</td>
<td>Reduce inflammatory mediators that drive cardiovascular concerns²</td>
</tr>
<tr>
<td>K2Vital® (to provide 100mcg Vitamin K2)</td>
<td>Vitamin K2 is derived from meats, cheeses and fermented foods. It may help reduce calcification of tissues which may prevent calcium from accumulating in arteries</td>
<td>Help activate Matrix Gla Protein (MGP) which may inhibit calcification of arterial vessel walls³, and works in conjunction with Vitamin D to direct calcium to bones⁴,⁵</td>
</tr>
<tr>
<td>2000 IU Vitamin D3</td>
<td>Fat soluble vitamin that is responsible for maintaining the mineral balance in the body, enhancing intestinal absorption of calcium and phosphate in the gut</td>
<td>Contribute to normal absorption/utilization of calcium and normal blood calcium levels⁶</td>
</tr>
