# Introducing EPM Cloud Planning Quick Start Checklists

Kathy Day, User Assistance Development

Shannon Murray, User Assistance Development

EPM Development

August, 2021

## Use checklists to get started quickly on day one

1. Navigate to [Planning](#) on the Help Center.
2. Select your role, then open a checklist.
3. Follow the steps to learn, connect to communities, and perform initial tasks like set up your environment, log in, enter data, analyze forms, and use reports.
